

Engineering & Works Committee

Agenda

Thursday 28th June 2018

Approx. 12.30 pm start (after lunch – available from 12.00)

New Whyalla Hotel

1. Roll Call
2. Apologies
3. Last Minutes – adoption (see enclosed draft minutes)
4. Deputation - NREP – Susan Stovell

Joint LiDAR Project Update

- A run through the LiDAR data to show councils the products that have been developed to date
- Options for developing the sea-level rise models – e.g. how do you want to run the models, do you want pdf maps or GIS layers etc.
- Demonstration of some of the existing tools that the sea-level rise models could be incorporated in to e.g. Coast Adapt tool and envmaps.
- Discussion on council requirements and next steps – what are councils user specifications for sea level rise modelling etc?

5. Business Arising

Actions List:-

5.1 Joint Procurement – Regional Plant & Equipment

Action: All Councils to email their 2017/18 plant & equipment procurement needs with a view to joint procurement through Local Government Procurement to Robyn Nottle
